Dear John,

Your Official Information Act 1982 request, reference OIA 21/22-0811

Thank you for your email of 9 May 2022 requesting the following under the Official Information Act 1982 (the OIA):

"I noted these 2 positions (Lottery Community Committees and Archives Council/ Te Rua Wānanga) have closed, may I ask how many expression of interest you have received per each positions, and how many are from other government agencies' nomination database and how many are from the public directly.

Also, I noted there are many different sub committees within this Lottery Community Committees application pack, can you please provide the information separate it by each sub-committees."

In response, I can advise the following:

- the Archives Council/Te Rua Wānanga received a total of five expressions of interest. All of these were received from the public.
- the Lotteries Community Committees received a total of 48 expressions of interest. All of these were received from the public. However, we received a list of nominations from the Ministry for Women with approximately 20 nominations.

Below is a table showing a breakdown of the expressions of interest (EOI) applications by committee:

We intend to publish our response to your request on www.dia.govt.nz. This letter, with your personal details removed, will be published in its entirety.
