

Local Election Results

Mr Michael Deaker had every reason to look happy as he listened to a transistor radio while attending the opening of the spring exhibition at Anderson Park on Saturday night. From the start of vote counting, it was obvious that Mr Deaker, standing for the first time, was the people's popular choice for second place on the City Council. He ended up 614 votes behind Cr Eve Poole, but 869 ahead of the third place-getter, Cr J. A. Russell.

Ernie Malcolm, Otatau member since 1965, easily topped the poll in a three-way contest, and Cr Peter Wild-Waitaki's representative in 1962, achieved a 107-vote majority.
