Kia Ora Paul

Yes they will, we may not have all the paperwork done by then but we can still free up the successful applicant for this.

We have a selection process in train that closes on Monday. We will make our recommendation

to you by the end of the week for you to meet.

When you give the green light we will do the secondment contract and look to releasing them as soon as possible. Is there an official start date to work to? I have the 23rd September on my notes
