Information Request –Southland Rural Fire Centre

I refer to your official information request dated 13 June 2022 asking for the following information:

I am requesting information on what was known as "Southland Rural Fire Centre" before the FENZ merger. I believe this to now be based out of the rear of Kingswell Fire Station.

I would like to know a list of vehicles (their make, model, year, rego and callsign), as well as any other relevant information about this station (i.e. how it's staffed, what equipment is in there etc).

In accordance with the provisions of the Official Information Act 1982, I *enclose* the information you requested.

As at 19 July 2022, the following vehicles (with associated callsigns) and equipment are located at the Kingswell Depot (Rural):

- 2005 Mitsubishi Triton 4x4 (smoke chaser unit): CTK910
- Caravan (Incident Command Point): 99KLZ
- Trailers: R2135; Z2915; Z8973; B752C; 63W69 (Used for multiple purposes)
- Two 10ft containers full of Phos-Check fire retardant
- Approximately 120 canisters of class A foam
- Portable pumps, waterway kit and variable stock of hose packs
- Assorted Hand tools
- One 15,000 litre portable dam

Please note, there is not specific staffing attached to the Kingswell Depot (Rural) and equipment is accessed as required.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Nāku noa, nā

Julia McCook-Weir
Manager, Information Requests
