Section 10(2) of the Local Government Official Information and Meetings Act 1987 ("**LGOIMA**") requires a valid request for official information to be specified with due particularity. We do not consider your request, in its current form, to be specific enough for us to identify the information you seek.

Please consider clarifying or amending your request, clearly stating the details of the information you request. In particular, it would be helpful if you could identify a particular topic the communications may relate to or limit the request to a specific group or individuals. Once we have received your clarification, we will acknowledge it as a new request and begin to process it under LGOIMA.

Please also note that where a request covers a large amount of correspondence, which may involve substantial time and resource, council will consider both sections 13 (allowing the council to fix a charge for the supply of official information) and 17(f) of LGOIMA (providing for refusal because the requested information cannot be made available without substantial collation and research).

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

We may publish this response on our website as your request may be of interest to others. All personal information will be removed and only the question and answers will be seen.

If you wish to discuss this decision with us, please feel free to contact the writer.

Ngā mihi
