Ref. NZT-7615

Dear Cody

Thank you for your query via www.fyi.org.nz regarding Waka Kotahi NZ Transport Agency's use of the DMARC email authentication protocol.

Waka Kotahi currently has DMARC enabled, but not quarantine or rejection. This is due to the impacts to external mail flow when third parties vendors are sending email on behalf of Waka Kotahi.

If you would like to discuss this matter further with Waka Kotahi, you are welcome to contact Ministerial Services by email to official.correspondence@nzta.govt.nz.

Yours sincerely

Andy MacAvoy
Head of Technology Operations
