**Subject:** Complaint re White Lady

Hi Anita

Looks like the move of the White Lady from its previous site hasn't solved problems. Have had a complaint from a **S7(2)(a) Privacy** on behalf **S7(2)(a) Privacy, S7(2)(c)(i) Information Supplied in Confidence** by the White Lady. The White Lady is **S7(2)(c)(i) Information Supplied in Confidence** and has had 3 months of drunks and smoke and smells from the cooking.

Give me a ring on Monday morning please.

Cheers

Rob
