**Departmental Official Information Act request - 2122-0661**

Thank you for your email of 7 July 2022 requesting the following information under the Official Information Act 1982 (the Act):

*“May I ask beside Community Matters website where would you put the call for nomination on, e.g. would you put it on your own nomination website? Or seek, trademe? Or govt's job searching site?”*

In response to your request, I can advise that the call for nominations for the Community Organisation Grants Scheme (COGS) Local Distribution Committee Elections will be disseminated through the following channels:

- the Department of Internal Affairs' social media platforms including Facebook
- via emails to COGS recipients of the previous two years
- potentially through various local community newsletters; and
- shared through our community partners such as the Ministry for Ethnic Communities and Te Puni Kōkiri.

I trust the above information answers your request.

Nāku noa, nā
