Record of Achievement Template

Thank you for your email of 18 July 2022 regarding NZQA's verification checks and the authenticity of a Record of Achievement (NZROA).

To reiterate NZQA does not provide NZROA templates, as indicated in our response of 18 July 2022 to your Official Information Act request.

In response to your question regarding whether an inauthentic NZROA would fail our verification check, I can confirm it would fail.
