Dear Mr Preston

Thank you for your Official Information Act request, received on 10 September 2014.
You requested the following:

"... documents and advice you have provided to ministers on the financial cost or benefit of delay in settling earthquake related claims in respect of EQC and Southern Response liability to insureds in Canterbury since September 4 2010."

Treasury has conducted a search of its records and I advise that Treasury does not hold any information that is relevant to your request. Consequently, section 18(e) of the Official Information Act is applicable:

- that the document alleged to contain the information requested does not exist or cannot be found.

This fully covers the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.

Yours sincerely

A handwritten signature in blue ink that reads 'Stacey Wymer'.
