Dear Mr Kelly

I refer to your request dated 10 September 2014, pursuant to the Official Information Act 1982, seeking:

- *“all the reports that talk about SAR ace funding that Duncan Ferner presented to the SAR council that is chaired by the secretary of transport.”*

Duncan Ferner presented no reports to the NZSAR Council regarding SAR (ACE) funding. However, in the interests of search and rescue sector transparency and by applying a very broad interpretation to your request, the following documents are of possible interest to you and are therefore enclosed:

- a) NZ Search and Rescue Council presentation dated 15 August 2012 – 1 PowerPoint slide (TEC Review).
- b) NZ Search and Rescue Council presentation dated 26 February 2013 - 1 PowerPoint slide (Search and Rescue Skill acquisition & extension training model).
- c) NZ Search and Rescue Combined Council and Consultative Committee presentation dated 22 August 2013 – 6 PowerPoint slides (NSSP Coordinators Item 9).
- d) NZ Search and Rescue Combined Council and Consultative Committee Minutes for 22 August 2013 located on the NZSAR website here:
