Hey Leona,

Sorry to keep bothering you while you are on leave but I think they've already remarked the bus stop. Should I still deliver the letter?

Cheers,
Zeph

Morning Leona,

Unfortunately, still not 100% so I won't be able to deliver these today, but I will definitely be in office tomorrow to deliver them.

Cheers,
Zeph

Subject: business notification letter for stop 8006 Jackson St - relocation under TMP

Hey Zeph

I have a business notification letter for the below businesses to notify them of the temporary relocation of stop 8006 on Jackson St (outside Hells Pizza) due to the safety hazard of buses striking the canopy at its original location.

1. 328b
2. 332A
3. 332b
4. 330
5. 336
6. 338
7. 340 – this address has Hells Pizza, Subway and Saibaidee Thai restaurant – all need letters
8. 350

If I have missed any businesses please check and add them to the list.

The stop will be relocated until the kerb build out is complete - which hopefully will be done this financial year... otherwise it will remain relocated until the build out is complete when it can be done.

Please can this be delivered to businesses next week sometime? As soon as? The line marking guys supposedly just go in and re-mark everything on the road before you know it so I just don't want another Adelaide Road situation so best to just deliver these letter to let people know it will be relocated/re-marked when it will be re-marked.

Appreciate it so much thank you

Leona
