Tēnā koe John,

I am responding on behalf of the university to your recent OIA request, in which you have asked:

'May I understand from Jan 2018 to now, how many honorary doctor nomination you have received per each award period and how many you have actually awarded.'

That information is provided in the following table:

| Year | Nominations Received | Awarded Honorary Doctorates |
|------|----------------------|-----------------------------|
| 2018 | 6 | 5 |
| 2019 | 5 | 4 |
| 2020 | 1 | Nil |
| 2021 | 2 | 2 |
| 2022 | 1 | 1 |

I note in your original Official Information Request that a link was provided to an out-of-date version of the Honorary Awards Criteria and Regulations. Please find the current Honorary Awards Regulations and Criteria [here](#).

I trust this is the information you require.

Ngā mihi,

Jodie Banner
Director of Governance and Assurance
