

Uber Global Hackathon

The World's First-Ever Global, Virtual Hackathon for Students

✓ 100% virtual

✓ Students ages 13-18

✓ Teams of 2-3 competitors

✓ No coding experience
needed!

1 Teams choose one of the two **categories** to compete in:

- CODING
- UX DESIGN AND PRODUCT DEVELOPMENT

2 Pick one of the following **themes** to build their next BIG idea on:

- CLIMATE PRESERVATION
- CRYPTO/WEB3
- GLOBAL HEALTH
- FINANCE
- PRACTICAL AI

3 Attend workshops & webinars, hosted by industry professionals

4 Submit their project plan with a video presentation

5 Selected teams will further submit a **video demo** of their software with code (coding category) and prototype (UX category)

6 Global finalists will give a LIVE demo followed by Q/A

Win Prizes!

One selected team wins an **internship with UBER!**

-  Cash prizes = US\$12,000+
-  Academic mentorship = US\$18,000+
-  Mentorship sessions with industry experts

***Jump into the world
of coding and
product design!***

US\$15 per student
