Christchurch, New Zealand  Melbourne (Tullamarine Apt), VI Australia 

### Melbourne (Tullamarine Apt), VI Australia - Exercise a high degree of caution

If you are planning international travel at this time, please read our COVID-19 related travel advice [here](#), alongside our destination specific travel advice below.

We advise that New Zealanders **exercise increased caution** in Australia (level 2 of 4).

#### Australia

##### Natural Disasters

Australia has experienced an increase in extreme weather events in recent years. We encourage New Zealanders to pay close attention to weather forecasts and warnings. The [Bureau of Meteorology](#) provides an app, similar to New Zealand's MetService, that we encourage you to download. Australia's emergency phone number is 000 from a local phone, 112 from a New Zealand/international phone.

We have information about bushfires in Australia [here](#).

##### Crime

The level of crime in Australia is similar to in New Zealand.

Although New Zealanders are not specifically targeted for crime, petty crime such as bag snatching, passport theft and pickpocketing can occur in Australia, particularly in tourist areas. We advise New Zealanders to be alert of their surroundings and take steps to safeguard and secure their personal belongings.

Theft from safety deposit facilities has been known to happen, particularly in cheaper hotels and hostels.
