Information Request – Air Desk BCP Dispatchers

I refer to your official information request dated 18 November 2022 asking for information relating to several qualified Air Support Supervisors receiving training as Air Desk Dispatchers to run the Fire and Emergency New Zealand National Air Desk outside of the Southern Communications Centre.

We have made good progress to date collating the material, but there is considerable work to assess and consult on the information.

In accordance with section 15A of the Official Information Act 1982, I notify you of an extension to the time limit to make our decision, to 20 January 2023. The reasons for the extension are that consultations necessary to make a decision on your request are such that a proper response to your request cannot reasonably be made within the original time limit. We will respond to your request at the earliest possible time.
