REF: OIA-11737

Dear ASE

Request made under the Official Information Act 1982

Thank you for your email of 19 December 2022 requesting the following information under the Official Information Act 1982 (the Act):

I am seeking information relating to traffic flows along SH1, through Ngauranga Gorge, Wellington. Particularly, in the vicinity of SH1 between SH2 and Newlands Rd, I am seeking information relating to average/typical traffic flows, per hour, northbound and southbound, during an average/typical week.

eg: Sunday, 00:00-01:00, xxx northbound vehicles, xxx southbound vehicles Sunday, 01:00-02:00, xxx northbound vehicles, xxx southbound vehicles ... Sat, 23:00-00:00, xxx northbound vehicles, xxx southbound vehicles

The information you have requested is attached in an Excel spreadsheet, and should be considered alongside the following caveats:

- Averages are calculated based on data extracted from 1 January 2021 through to 9 October 2022.
- The Traffic Monitoring System sites used for this analysis are the following locations:
 - Newlands Interchange - Southbound through traffic (site reference 01N11066)
 - Newlands Interchange - Northbound through traffic (site reference 01N21066)
- A map of the site location can be found in the "Site Location" tab of the attached spreadsheet.
- There are gaps in the data due to the sites being out of action for periods of time, and there is only data loaded for the sites up to 9 October 2022.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact Ministerial Services by email at official.correspondence@nzta.govt.nz.

Yours sincerely
