

Kia ora,

Privacy Act Requests can be sent to [hnzprivacy@health.govt.nz](mailto:hnzprivacy@health.govt.nz). However, as patient medical records are not centralised, but are kept and maintained in the region where healthcare was provided, requests are forwarded to the associated region for processing. Alternately, requests can be sent directly to a region with links to local health websites found here: <https://www.tewhatauora.govt.nz/keeping-well/health-info-for-public/district-health-websites/>

**Ngā mihi**
