Dear Grant

Request for information

Thank you for your Official Information Act 1982 (OIA) request of 11 January 2023, in which you asked:

Pursuant to the Official Information Act 1982 please provide me with copies of the current Organisation Structures for the Waikato, Bay of Plenty, Eastern and Central police districts.

In June last year I made a similar request for the Northland, Waitemata, Auckland City and Counties Manukau districts and in July I was provided with the information in the form of a spreadsheet showing the organisation structures of those districts by Christine Parker your Executive Director - People Operation (Ref : IR - 01- 22 - 17040, fyi - request - 19652 - 085e285e @ requests.fyi.org.nz) and I would appreciate it if the information for the above districts could be provided in the same format.

Attached is a spreadsheet which provides a view of the New Zealand Police Waikato, Bay of Plenty, Eastern and Central district organisation structures as at February 2023.

The Police organisation structure is based on position management. Every employee has a position, but not every position has an employee.

The spreadsheet records active positions but some will be vacant, inactive or in the process of being disestablished. This means that there will always be more positions than there are staff and counting the positions does not equate with the number of staff.

You have the right to ask the Ombudsman to review my decision if you are not satisfied with the response to your request. Information about how to make a complaint is available at:
www.ombudsman.parliament.nz.

Yours sincerely
