Dear Mr Grainger

Thank you for your email of 7 November 2014 requesting, under the Official Information Act 1982, the following information in follow up to your recent Official Information Act request:

“ all documents relating to the decision in 2010 to split IPG into two components, including any review documents that lead up to the making of this decision. I am not interested in any staff consultation information at this stage.*

** I would also like to explicitly request the names of the two entities that IPG split into. It seems a bit silly that there's an organisation resulting from the IPG split so secret that we cannot even know its name.”*

Your request is being processed in accordance with the Official Information Act 1982. If you have any enquiries regarding your request, you may contact us via email at uia@mbie.govt.nz or
