**Information Request – 4WD Vehicles currently in service**

I refer to your official information request dated 29 January 2023 asking for a list of 4WD vehicles that are currently in service with Fire and Emergency New Zealand. You also asked for the callsign, registration, region and district.

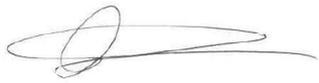

In accordance with the provisions of the Official Information Act 1982 (OIA), I *enclose* Appendix One which contains the list of the 4WD vehicles in the Fire and Emergency New Zealand, their callsign, registration, region and district.

Please note that there is no industry consensus on the definition between four-wheel drive and all wheel drive so both have been included in Appendix one.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

*Note also that this response (with your personal details removed) may be published on the Fire and Emergency website.*
