Part 3

Also, I would like to know if you have any future opening in 2023. e.g. the position that will call for nomination in the year of 2023.

At the date of your request, of the 57 directors with term ends this year, we were yet to provide advice on 27 positions with term ends in 2023.

Due to the government period of restraint for 3 months prior to the general election in October, our appointment processes need to be complete before 1 July 2023.

Remaining entities we are yet to confirm Ministers decisions on are:

- Te Waihanga (New Zealand Infrastructure Commission)
- Ōtakaro
- Nominating Committee for the Guardians of New Zealand Superannuation
- Independent Oversight Committee for Southern Response Earthquake Services
- Accident Compensation Corporation

We expect to provide our remaining recommendations to the relevant Ministers by the end of April.

Dependent on Ministers' decisions, remaining calls for nominations for vacant positions will likely go up in early April to have all positions confirmed by 1 July.

A full list of our current directors with term end dates is available here: [Current Directors \(treasury.govt.nz\)](https://www.treasury.govt.nz/boards-directors)

If you are interested in board appointments across the entities we appoint to please contact us at board.appointments@treasury.govt.nz. We encourage you to set up your profile on the board appointments website so you can be notified when nominations are opened in future.

This reply addresses the information you requested. You have the right to ask the Ombudsman to investigate and review my decision.
