

OIA 23.06 Minutes Excerpts

25 February 2022 Learning and Teaching Committee

Excerpt from Point 7 Updates from Members:

..The committee (the Business Teaching and Learning Committee) is working with s 9(2)(a) OIA from the Future Learning team and will be launching the academic integrity module into 100-level BCom courses shortly.

14 March 2022 Academic Administration Committee

Point 6 Academic Appeals Committee Members:

s 9(2)(a) OIA was welcomed to the meeting. She said that the membership pool for the Academic Appeals Committee is now well out of date, including staff who have retired or moved elsewhere. She proposed a new smaller pool, following advice from legal counsel. There was broad support for the proposal, particularly if that meant that a smaller pool could build up expertise and receive specific training.

25 November 2022 Academic Administration Committee and Learning and Teaching Committee Joint Meeting

Point 7 General Business:

Members queried some of the statements in the Academic Integrity Framework report which had been prepared by UNZ. Some members had not received the reminders noted in the report but the introduction of the new curriculum management tool would ensure that these were standardised.
