Dear John,

### Official Information Act 1982 request – ENZ salary information

I acknowledge receipt of your official information request to Education New Zealand, received on 7 February 2023, seeking information as below:

*I am requesting under the official information act information about all the positions in the ENZ where the position holder is paid more than \$150,000 per annum. My request covers both permanent employees and any contractors or consultants.*

*Please provide a list of all the positions that meet the criteria (\$150,000 or more), listed by business group in the ENZ, and for each please provide the full position title, and the associated remuneration and an indication of whether the position is filled by a permanent employee or a contractor/consultant or other. I am comfortable if you wish to provide the remuneration information in salary bands or ranges or similar, provided they are not too large. I note that SSC uses ranges of \$10,000 when identifying chief executive remuneration which would be an acceptable range for my request.*

*For context can you please also provide me with the total number of staff in each business group.*

*If it would make complying with this request easier, I am happy to accept slightly older information, E.g. it does not need to be accurate as at the date of this request, provided it is dated within the last 12 months, and you identify the applicable date.*

We will endeavour to respond to your request as soon as possible and in any event no later than 6 March 2022, being 20 working days after the day your request was received. If we are unable to respond to your request by then, we will notify you of an extension of that timeframe.

Your request is being handled by my team. If you have any queries, please feel free to contact us on [ENZ.Ministerials@enz.govt.nz](mailto:ENZ.Ministerials@enz.govt.nz). If any additional factors come to light which are relevant to your request, please do not hesitate to contact us so that these can be considered.

Please note that it is our policy to proactively release our responses to official information requests, where possible. We do not publish
