Dear Minister,

On behalf of NZAMI, we formally invite you to be part of our upcoming NZAMI Annual Conference – IMMIGRATION 2023: Opportunities and Challenges ahead - held in Auckland on Friday 28<sup>th</sup> October 2022 at Eden Park.

We would greatly welcome you as a keynote speaker, as your Predecessors have previously presented annually (with the exception of the last two years due to the pandemic). This would be an excellent opportunity for you to meet many of the people involved in the Immigration Industry, with time permitting.

We would be very interested to hear your comments on the changing Immigration face of New Zealand and the opportunities & challenges ahead. The Minister's presence at our Annual Conference is so important for the whole industry to get guidance on the way forward as your opinion is greatly valued and welcomed.

Confirmation of your attendance would be appreciated at your earliest convenience, as planning is well underway for this significant event.

We look forward to hearing from you.

Yours sincerely,
