Official Information Act request: Follow up to OIA 100591

Thank you for your email of 20 and 21 December 2022, and 1 March 2023 to the Ministry of Justice (the Ministry), in which you request clarification of our response to your previous OIA request (Our ref: 100591) regarding criminal legal aid providers.

Your request has been referred to me for a response as it falls within my responsibilities as Group Manager, National Service Delivery, and is being managed under the provisions of the Official Information Act 1982.

Firstly, I would like to apologise for the length of time that it has taken to respond to your requests. I will now respond to each part of your request in turn.

- 1. Pursuant to the information received in OIA request OIA100591, I note that the response to question 5 appears to be incomplete. Table 1 of Appendix B only gives the number of PDS lawyers rostered for PDS courts. My question asked for "How many providers are on each individual roster", which means that for a PDS supervised court, the count should include both PDS and non-PDS duty lawyers on that court roster. Please provide that information.*
- 2. The duty lawyer question may just be that PDS lawyers don't need to have been approved as duty lawyers to act as duty lawyers at court. I say this because for courts where the PDS has a presence, the total number of PDS lawyers given is 334, but the reply earlier says that just 125 PDS lawyers have approval as duty lawyers. Unless, as noted for private duty lawyers, some PDS lawyers in fact cover more than one court as duty lawyers?*

For a Public Defence Service (PDS) Lawyer to act as a Duty Lawyer in court, the PDS Lawyer must hold a Duty Lawyer approval. In response to questions 1 and 2 of your request, please find attached Tables 1 and 2 of Appendix A, including the corrected data for Table 1 as the number provided to you as "Number of Public Defence lawyers rostered for PDS court" was in fact, the number of private lawyers rostered for PDS courts. I apologise for any inconvenience this may have caused.

- 3. I am also curious how the numbers at Table 2 of Appendix B in OIA100591 were arrived at. I have compared the answers with duty lawyer rosters as displayed on the MOJ website. Just working alphabetically and taking the first few, I note that, by way of example:*

*Ashburton is said to have eight duty lawyers on the roster but the roster that is shown for that court online has only three.
Blenheim is said to seven duty lawyers but the roster only has six.
Dannevirke is said to have three duty lawyers but the roster for that court has four.
Dargaville is said to have seven duty lawyers but the roster for that court only has five.
Gore is said to have seven duty lawyers but the roster only has five.
Westport is said to have four duty lawyers but the roster only has two.
Masterton is said to have ten duty lawyers but the roster only has six.*

Please provide clarification in relation to the above, not limited to each court mentioned above, but in relation to all non-PDS courts where there is a difference in numbers between those on the published roster as at 17 November 2022 and the numbers provided by you.

In response to question 3, the reason why the numbers differ is because lawyers who have taken extended leave during this time have not been included in this number as they are removed from the roster until they have indicated availability to the scheduling team. Rosters for non-PDS courts are determined 2-3 months in advance and for PDS courts, they are determined 16 weeks in advance. Depending on the roster cycle, the number of duty lawyers may differ.

- 4. Please provide a copy of all internal and external correspondence in relation to OIA100591, including but not limited to any correspondence or advice to ministers.*

In response to question 4, please find attached a copy of all internal and external correspondence in relation to OIA 100591. Please note that some information has been withheld under section 9(2)(a) to protect the privacy of natural persons. In accordance with section 9(1) of the Act, I have considered the public interest in making available the information being withheld and determined that it does not outweigh the need to withhold the information at this time.

This response, with your personal details removed, may be published on the Ministry website at: justice.govt.nz/about/official-information-act-requests/. If you require any further information, please contact Ministry of Justice Media and Social Media Manager, Joe Locke, at media@justice.govt.nz

If you would like to discuss this response or contact us again, please contact uia@justice.govt.nz. You are also welcome to contact the Office of the Ombudsman if you wish to. They may be contacted by phone on 0800 802 602 or by email to info@ombudsman.parliament.nz

I Brown has come back with follow-up questions relating to the OIA response he received earlier in the week.

Can you please let me know if there are readily available answers for this, or does it need to head back down the OIA path again?

Many thanks for your help.

Still not entirely clear about Crown Law involvement. Do you think there is actually anything outstanding at all?

s9(2)(a)

I've looked through my emails and this appears to be the last thing I had before Christmas.

L Brown has had so many OIAs I've lost track of which is which.

Did we let them know it had gone to Crown Law? (I'm thinking we must have, but maybe someone else on the team sent it through when I went away before Christmas.) And does Crown Law fall under us, or is it separate?

Thanks for any help you can give me.

Importance: High

Kia ora Team

Happy Friday!!!! I hope you are having a great end of your week. I have just been aware that Tracey Baguley won't be signing more correspondence until the New Year, and I'm trying to make an exception with this one for the following reasons:

- We received this OIA on 4 November 2022, It was allocated on 11 November 2022 and scoped with the relevant business units on the same day. The data for this OIA request was provided only a week before the due date on 29 November 2022. In the middle we have some people involved out of the office with COVID-19 and that caused delays in the relevant sign out process.
- On 2 December 2022 we sent a decision letter to the requester advising that we will respond to his request as soon as possible. On the same day, we sent the response to Tracey Baguley for final sign out.
- As part of the sign out process, it was advised by Molly White that this needed to go through Louisa Carroll and Queenie Buchanan before Tracey's sign out (this was on 5 December 2022). On the same day we sent the response to them
- On 7 December 2022 requester wrote back to the Ministry complaining about the delay regarding his OIA request.
- On the 8 December 2022 I follow up with Queenie Buchanan and I was advised by Molly White that Tracey had COVID-19 and it was unlikely to sign it that week. I said early this week would be fine.
- I received Tracey's feedback on 14 December 2022 with some tracked changes which I liaise with Louise Nodder from NSD as the original SME is on leave until next week. She returned the response on Thursday Morning and immediately sent it out to Tracey for sign out.
- On 16 December 2022 MRS team received an email advising that Tracey won't be signing anything else until New Year.

With all the facts lined up, I would like to ask you for an exception and please approve this OIA before Christmas to avoid further complains to the Ombudsman of this requester. As you are aware, we have a legislative responsibility under the OIA to respond without undue delay, and I would like to honour that before we go on Christmas break.

Thank you very much for your consideration,

A review would need to be done by;

- ✓ and then I would do a check before it goes to Tracey for sign off and Molly organises that.

I do hope that helps, any other Q's ~ just ask.

Thank you for your speedy reply. I'm sending this to you as I was advised by Molly White that after Greg Pearson's review, the documents needed to be reviewed by Louisa and you before goes to Tracey.

Would you be able to confirm if this needs to be reviewed by you and Louisa? Otherwise, we can move to the final sign out with Tracey 😊

If you are wondering why we are late, Justice stats provided the final data on Tuesday Morning, I sent this to the SME for review in the afternoon and it came back to me from Greg Pearson yesterday afternoon.

Hi Douglas,

Priya is on leave today, so thought I would respond back to you on this.

Unlike private lawyers, specific PDS lawyers are not given a permanent rostered session. PDS can take up to 33% of rostered sessions and these are filled by different PDS lawyers based upon availability and office capacity. Note that at PDS Courts, there will be a PDS employed Duty Lawyer Supervisor overseeing the roster. The PDS Duty Lawyer Supervisor counts as one of the PDS' rostered sessions.

Let me know if you need any further information, Priya will be back in the office tomorrow.

Thanks

Kia ora Priya,

We just have one question regarding the data.

For question four, you have provided the total number of private Duty lawyer lawyers rostered in PDS courts but not the total number of PDS duty lawyers.

Do you have this data available and if not can you provide a reason why you can't provide it?

I am allocating this OIA to you.

Please talk to NSD about getting a SME for this one.

The OIA scoping plan and information sheet templates are in the shared file. The scoping plan is to assist you in planning out processes and timeframes for this OIA. Please ensure you fill out all of the relevant information in the information sheet and get this peer reviewed. Your SME will be able to help with both of these documents.

Please save the final version to the Allocation folder for this OIA on the shared drive. You may wish to consider whether an early scoping meeting may be useful.

This is a media request, so you will need to ensure the Media team are consulted and sent the response (FYI).

Remember to update JAX, file everything in the folder in the shared drive, and update your personal workflow tool in the shared drive.

Many thanks.

Thanks for this. I've tightened up the letter – I take the view that there is no need to state all the questions at the beginning, only to then go through them all again as each one is answered. It cuts the letter down significantly.

Thanks Priya.

Regarding question 4 – 325 PDS Duty Lawyers cannot be correct. If the question is how many private providers are on the PDS rosters that may be correct (assuming that is what the figure 325 is referring to?) and would need to clarify, “The total number of private duty lawyers on the rosters for PDS Courts is 325. Rosters at PDS Courts are a mix of private and PDS lawyers (including a PDS Duty Lawyer Supervisor). PDS lawyers (including the PDS Duty Lawyer Supervisor) may provide up to 33% of a rosters sessions.”

Question 5 – if this is how many private providers are on each PDS roster than this may be correct and the answer would need to make clear this is for rosters at Courts where the PDS operates (as the list records).

Does the above make sense?

Let me know if you need any clarification.

How many Legal Aid providers presently have a Duty Lawyer rating (whether or not they are on a current roster)

The total number of PDS lawyers who currently have a Duty Lawyer rating is 125.

4. How many providers are currently on a Duty Lawyer roster as of today's date for the country as a whole?

The total number of PDS Duty lawyers on the roster for PDS courts is 325.

5. How many providers are on each individual roster as of today's date (please give court name and number of duty lawyers on that court's roster).

Please refer to the table below – the total number will be greater than in question 4 as some lawyers work in multiple courts.

Ngā mihi

Peter

I see Rick's response to qu. 4 is:

4. The total number of duty lawyers on the roster for PDS courts is 325.

Which sounds correct, as it is not just PDS lawyers but "duty lawyers".

Regarding question 4 – 325 PDS Duty Lawyers cannot be correct. If the question is how many private providers are on the PDS rosters that may be correct (assuming that is what the figure 325 is referring to?) and would need to clarify, “The total number of private duty lawyers on the rosters for PDS Courts is 325. Rosters at PDS Courts are a mix of private and PDS lawyers (including a PDS Duty Lawyer Supervisor). PDS lawyers (including the PDS Duty Lawyer Supervisor) may provide up to 33% of a rosters sessions.”

Question 5 – if this is how many private providers are on each PDS roster than this may be correct and the answer would need to make clear this is for rosters at Courts where the PDS operates (as the list records).

Does the above make sense?

Let me know if you need any clarification.

How many Legal Aid providers presently have a Duty Lawyer rating (whether or not they are on a current roster)

The total number of PDS lawyers who currently have a Duty Lawyer rating is 125.

4. How many providers are currently on a Duty Lawyer roster as of today's date for the country as a whole?

The total number of PDS Duty lawyers on the roster for PDS courts is 325.

5. How many providers are on each individual roster as of today's date (please give court name and number of duty lawyers on that court's roster).

Please refer to the table below – the total number will be greater than in question 4 as some lawyers work in multiple courts.

Please talk to NSD about getting a SME for this one.

The OIA scoping plan and information sheet templates are in the shared file. The scoping plan is to assist you in planning out processes and timeframes for this OIA. Please ensure you fill out all of the relevant information in the information sheet and get this peer reviewed. Your SME will be able to help with both of these documents.

Please save the final version to the Allocation folder for this OIA on the shared drive. You may wish to consider

whether an early scoping meeting may be useful.

This is a media request, so you will need to ensure the Media team are consulted and sent the response (FYI).

Remember to update JAX, file everything in the folder in the shared drive, and update your personal workflow tool in the shared drive.

Many thanks.

Hi Priya,

Below is an OIA for you to do.

This one is a tighter timeframe as Douglas is wanting all the data back to him by 23 November so he can draft the response.

We are only answering questions 3, 4 and 5 this time as 1 and 2 are for Legal Aid specifically.

For question 3, I think we have provided duty lawyer approval numbers in one of our recent responses so you might need to go through the last few OIA responses and see if you can find anything. If not, then this may need to be requested from Judith when she is back from leave tomorrow.

For questions 4 and 5, you will need to get in touch with Rick Amon who is the current ICLS Team Manager. Note, that the ICLS unit is officially moving across to Legal Aid from PDS next Monday so get in touch with him asap to get this information from him as next week it may be harder to get hold of him.

If you can gather the information and put in to a similar format to the last response that you did and get it to me by Monday, 21 November for review that will then allow you enough time to get it through Peter and Elaine for sign-off before sending back to Douglas.

Any questions regarding the above, let me know. Happy to discuss.

Thanks

There is a very tight response time allocated to this OIA, will require the information with in the next two days.

Questions:

4. How many providers are currently on a duty lawyer roster as of today's date for the country as a whole; and
5. How many providers are on each individual roster as of today's date (please give court name and number of duty lawyers on that court's roster).

Please do let me know if there anything I can do to help or if there is someone else I would need to contact.
