### **Partial transfer of your request for official information**

Thank you for your request under the Official Information Act 1982 (the Act) to Manatū Hauora (the Ministry of Health) on 6 March 2023. You requested:

- “ 1) Please provide the data that Pfizer provided to meet the company's legal obligations in New Zealand for which they received provisional consent.*
- 2) Please advise what parts of the provisional consent have been fulfilled and what is still unfulfilled and the timeframes.*
- 3) Given that Pfizer has said they did not test the vaccine to determine whether it stopped transmission, why did all the advertising used to promote the injection say it did? At what point did you know this was not correct and have you done a press release on this? If not why? And if yes, please provide details.”*

Manatū Hauora does not hold any information relating to question 3 of your request. Responsibility for this function was transferred to Te Whatu Ora (Health New Zealand). For this reason, I have decided to transfer this part of your request to Te Whatu Ora under section 14(b)(ii) of the Act. You can expect a response from Te Whatu Ora in due course.

Under section 28(3) of the Act, you have the right to ask the Ombudsman to review any decisions made under this request. The Ombudsman may be contacted by email at: [info@ombudsman.parliament.nz](mailto:info@ombudsman.parliament.nz) or by calling 0800 802 602.
