I refer to your information request dated 18 March 2023 made under the Official Information Act 1982 (the Act). You have requested:

“the grade distributions of the following papers - COSC 201 and COSC 202 in S1 2022, COSC 203 and 204 in S2 2022. INFO 201 from the past 4 years and INFO 202, INFO 204 from the past 4 years as well.”

Subject to the following comments, please see attached the information you have requested. Please note that there are four pages in the attached spreadsheet (one for COSC papers and one each for INFO201, INFO202, and INFO204 papers).

- These results are correct as at 22 March 2023.
- On occasions where fewer than five students have failed a paper (i.e. received a grade of Fail D, Fail E), we have determined that it is necessary to withhold the marks and specific grades for these students to protect their privacy and wellbeing. We consider that withholding this information is necessary to protect against the identity of these students being determined or inferred, and their personal information (i.e. their marks) could be disclosed. We therefore withhold this information pursuant to section 9(2)(a) of the Act.
- In the attached mark and grade distributions, we note that students who withdrew from the papers and students who gained an Aegrotat Pass (where no mark or grade is awarded) are excluded from the data.
- In Semester 1 2020, all grades were bumped up by 5 marks due to potential Covid-19 difficulties encountered by students.

I trust that this information will be helpful.

In the above cases, we consider that good reasons exist for withholding information, and this is not outweighed by other considerations which would make it desirable, in the public interest, to make the information available.

If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.
