Dear Mr Luke

Thank you for your email of 24 March 2023 to Kāinga Ora – Homes and Communities via the FYI website requesting the following information under the Official Information Act 1982 (the Act):

May I kindly request the org chart with name and position of your kiwibuild unit. I am happy for you to not disclose the name of individual, if the person is not in the public facing position. I understand many kiwibuild team are public facing.

On 27 March 2023 we asked you to provide more information to clarify your request. We advised you that the original KiwiBuild unit you refer to no longer exists and the areas of KiwiBuild that Kāinga Ora is responsible for administering are now spread across multiple teams. You were also provided with a link to a previous response on our website that included an organisational chart for Kāinga Ora, as below:

<https://kaingaora.govt.nz/assets/Publications/OIAs-Official-Information-Requests/August-2022/9-August-2022-Kainga-Ora-Organisational-Charts.pdf>

On 28 March 2023 you submitted a new request to Kāinga Ora via the FYI website asking for the following:

May I kindly request an updated org chart of the staff-in Kāinga Ora. Please supply the name of each position holder, if they are public facing staff member. I am happy for you to not provide the staff name if they are back office or none public facing staff member. For example, I aware some staff are dealing with developer or buyer directly in assisting their kiwi build related projects.

We understand this to be an amendment to your 24 March 2023 request. Kāinga Ora staff team members (and their names) that are responsible for administering parts of KiwiBuild will be provided to you in the next few days.

I trust this information is useful. Please note that Kāinga Ora proactively releases our responses to official information requests where possible. Our response to your request may be published at <https://kaingaora.govt.nz/publications/official-information-requests/> with your personal information removed.

Yours sincerely

Alex Travis
