Tēnā koe CERT,

Thank you for your Official Information Act 1982 (OIA) request of 24 March 2023. Your request is as follows:

"Im wondering if you could provide all VHF frequencies both RT and TX using in canterbury along with CTC tones so I can update our scanner database."

Your request is refused under section 6(c) of the OIA, as the making available of the information would be likely to prejudice the maintenance of the law, including the prevention, investigation, and detection of offences, and the right to a fair trial.

Police considers the interests requiring protection by withholding the information are not outweighed by any public interest in release of the information.

You have the right to ask the Ombudsman to review my decision if you are not satisfied with the response to your request. Information about how to make a complaint is available on the [Ombudsman's website](#).

Nāku iti noa, nā
