Kia ora Thorndon Residents Association,

### **Submissions data**

To release the data to you in a spreadsheet format as you have requested, we have had to remove all personal information. In some cases, in the free text section, submitters have given personal details such as their address. As we are unable to review all the data in the free text section and apply redactions to this within the timeframe you have specified. We have therefore removed this section in its entirety to remove the risk of personal information being revealed under section 7(2)(a) of the Act. The submissions are available on our website with the relevant privacy redactions as PDFs.

There are two spreadsheets attached, one based off the WCC survey, and one based off the responses to the Thorndon Community Group survey.

The consultation summary report provides a breakdown on the submissions and is from page 113 [Agenda of Koata Hātepe | Regulatory Processes Committee - Thursday, 11 May 2023 \(wellington.govt.nz\)](#) and you will note it also provides a breakdown of the submissions made via the Thorndon Community Group form (page 166). I have attached the report for your reference.

### **Right of review**

If you are not satisfied with the Council's response, you may request the Office of the Ombudsman to investigate the Council's decision. Further information is available on the Ombudsman website, [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz).

Thank you again for your request, if you have any questions, please feel free to contact me.

Kind regards
