Are you a Chartered Engineer with governance experience? Utilise your passion for Engineering in a member role with CPEC

The Chartered Professional Engineers Council (the Council) is a statutory body established under the Chartered Professional Engineers Act 2002 (the Act). The Council's role includes reviewing proposed changes to rules, hearing appeals from decisions of the Registration Authority in relation to registration and complaints and reviewing and reporting to the Minister on the performance of the Registration Authority.

Applications close on Friday, 5 May 2023

May I ask how did you call for public nomination and on what platform you have call for public nominations, e.g. govt.jobs website. Also, how many applications you have received from the public and how many you have received from other nominating agencies such as TPK or Ministry of women etc. further, how many you have shortlisted. When you expect the recruitment process will concluded. Also, can you please supply current member's name and term of appointment.

We have publicly advertised the two member roles for the Chartered Professional Engineers Council on our Board Appointments page, seek and jobs.govt.nz. The closing date for the role was recently extended, therefore, we do not currently have any information regarding the nominations, shortlist or conclusion of this process at this time. There are two vacancies on the Council as two members are departing.

MBIE is therefore refusing this part of your request under section 18(e) of the Act, as the document alleged to contain the information requested does not exist or, despite reasonable efforts to locate it, cannot be found.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
