Kia ora Mr Donovan

I refer to your information request dated 4 June 2023 made under the Official Information Act 1982 (the Act). You have requested:

*"I am contacting you to request information regarding the GPA distribution in the BSc and BA programmes. If this data is currently unavailable due to ongoing courses, I would appreciate obtaining the average GPA for the 2022 graduates from each programme instead. If feasible, please provide the average GPA and standard deviation for both degree programmes."*

You further clarified on 12 June 2023:

*"The 2022 annual GPA average and SD for the BSc and BA programmes will suffice - I don't need the cumulative data from 2023 or Summer School 2023."*

Subject to the following comments, please see below the information you have requested:

- The Bachelor of Arts values were calculated on 530 completions. A further 12 were excluded because they have enrolled in Summer School papers in 2023 with results affecting their cumulative [GPA](#) data.
- The Bachelor of Science values were calculated on 811 completions. A further 14 were excluded because they have enrolled in Summer School papers in 2023 with results affecting their cumulative GPA data.

Programme	Average GPA	Standard Deviation
Bachelor of Arts	5.5	1.7
Bachelor of Science	5.4	1.8

I trust that this information will be helpful.

If you are not satisfied with our response to your information request, section 28(3) of the Act provides you with the right to ask an Ombudsman to investigate and review this response. However, we would welcome the opportunity to discuss any concerns with you first.

Ngā mihi
