Frank – FYI Requests

Email: fyi-request-23079-7bed71c5@requests.fyi.org.nz

Dear Frank

I refer to your official request of 10 June 2023 for information on each building currently identified as intended/likely to be used as an EOC after a seismic event. Accordingly, we can confirm that the Waimakariri District Council has the following two buildings which have been earmarked for use as EOCs after a seismic event:

- Council Chamber, Rangiora Service Centre, Rangiora – the building was at a minimum of 67% nbs and is consented as an IL2 structure.
- Mainpower NZ Ltd premises at 172 Fernside Road, Rangiora - the building was at approximately 100% nbs and is consented as an IL4 structure.

I trust this answers your current query.

Yours sincerely

Sarah Nichols
Governance Manager
