**Local Government Official Information & Meetings Act 1987 Request:**

We refer to your email of 22 June 2023, which includes requests for information under the Local Government Official Information & Meetings Act 1987. Your particular requests and responses are set out below:

*Please identify for your CDEM Group and it's members each building that is currently identified as the building intended/likely to be used as – the ECC – an EOC after seismic event. Please provide the buildings current %nbs at IL4, the date of the last assessment, and the type of seismic assessment completed. Alternatively if you do not hold/cannot provide the above please provide the last seismic assessment for the buildings identified above.*

The Timaru District Council is one of the group members of the Canterbury Regional Council CDEM Group. The Timaru District Council has two buildings identified as being used after a seismic event. Details of current %NBS at IL4 including the date of the last assessment and type of assessment are outlined below:

- i. The Timaru District Council main building located at 2 King George Place, Timaru, is the main EOC centre for use after a seismic event. There is no %NBS at IL4 rating available at this time. A full DSA Report has been commissioned. This started in March 2023 and is still currently in concept and first phase investigations, with early building and geo technical investigations underway.
- ii. Timaru District Council has a secondary site, the West End Hall, located at 35A Maltby Avenue, West End, Timaru. A full DSA report was completed, and the building is rated at 50% NBS at IL4. The DSA Report was received in January 2023.

We trust this provides you with the information you are seeking, however, if you have any further information requests arising from what we have provided please do not hesitate to contact us.

Finally, you have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.
