Dear John

REQUEST FOR INFORMATION - LOCAL GOVERNMENT OFFICIAL INFORMATION AND MEETINGS ACT 1987

We refer to your request dated 9 December 2014, which we received on 10 December 2014, requesting the following:

1. any comparative analysis held by the Council of the computer systems currently used by each council in the Wellington region including costs of provision of ICT services.
2. the estimated costs of merging existing computer systems in the various councils in the Wellington region into a single computer system for use in an amalgamated council.
3. proposals, recommendations and reports provided to the regional CEO forum on shared services for ICT and the minutes of the discussion and decisions made in response to those proposals, recommendations and reports.
4. all reports, analysis and recommendations held by the Council on participation in shared services for ICT with other councils in the Wellington region and the comparative advantages and disadvantages identified for participation.

We do not hold this information and so your request is refused under section 17(g) of the Local Government Official Information and Meetings Act. However, we are aware that Wellington City Council was conducting some research into this, and pursuant to section 12 of the Act we have transferred your request to Wellington City Council.
