" I noted you have MOU with SafeKiwi (NZ) Ltd
<https://www.rea.govt.nz/news/industry-newsletters/rea-newsletter-june-2018/nz-real-estate-trust/>

Do you have any other memorandum of understanding with any other organization or agency? If you do, please provide the name of the organization or agency."

We have considered your request under the OIA. We note that we may not have advised you of an extension required to respond to your request, which we had intended to do. The additional time was required in order to undertake a thorough review of our records, given the breadth of your request.

We further note that we continue to receive a high volume of requests for information from you. The volume and wide nature of your requests are placing a burden on our agency. We will be in touch in due course regarding this.

Information being provided

We have reviewed our records and confirm that we have the following memoranda of understanding in place:

- Memoranda to operationalise aspects of the All of Government procurement arrangements, including with Department of Internal Affairs, the Ministry of Business Innovation and Employment, and the Ministry of Justice;
- A Memorandum of Understanding with the Ministry of Housing and Urban Development in relation to the development of a regulatory regime for residential property managers in New Zealand.
