Tēnā koe Catherine,

Official information request HNZ00025718

Thank you for your request on 17 July 2023 asking for the following which has been considered under the Official Information Act 1982 (the Act):

Please provide publicly funded hospital discharges for acute kidney injury for the last 20 years by financial year and 10 year age groups. I would like it in the same format as that provided for myocarditis and pericarditis in H202207093.

The information requested is provided below. Please note the following when considering this data:

- Age is taken at time of discharge.
- The counts are of discharges and not people. People with multiple hospitalisations are counted each time they are discharged.
- This data is extracted from the National Minimum Dataset (NMDS) on 18 July 2023 and is for financial years (i.e., to 30 June).
- Counts are of discharges with a primary diagnosis of acute renal failure (ICD-10-AM version 2 clinical code N17)
