Jay Daley
Fyi-request-2351-1e017fad@requests.fyi.org.nz

Dear Mr Daley

Review of information withheld (OIA 2014/0172)

Greater Wellington Regional Council (GWRC) has recently reviewed its response to a request for information made by you on 17 December 2014 (OIA 2014/172) in relation to the element of your request that related to Key Performance Indicators (KPIs) on real time bus displays. Specifically, you requested:

“Please provide a copy of the document that details the KPIs that the [RTI system] service is measured by”

GWRC has reviewed its decision to withhold this information from you. As a result, we consider that the KPI information which was initially withheld from you can now be released. I have attached a copy of the document that details the KPIs which we originally withheld from you. I apologise that this document was not provided to you at the time you requested it.

Yours sincerely

Greg Campbell
Chief Executive
