Wayne,

A quick note to say “a heartfelt thank you” & “well done”, for this mornings wonderful speech & delivery this morning.

I’m still watching the video but you have delivered precisely what the community voted for you were looking for.

Anyway, enough from me but please do take comfort from all your terrific hard work.

The next round of champagne & smoked salmon is on me!

Keep doing what you are doing - Auckland needs you now more than ever!

Kindest possible regards.
