Dear [ s 9(2)(a) ]

Request Reference: 1553880

Document No: NA18D/618

We wish to advise that the above certificate of title cannot be found. We have carried out a thorough search of LINZ's records but as my colleague has already informed you, a search was completed in 2004 in which the title was reported missing.

Unfortunately we have not now managed to find the document or a copy that we can supply to you.

Please accept my apologies for any inconvenience caused.

This request has been closed and no fees have been charged.

Kind regards

Hi [ s 9(2)(a) ]

When searching this Certificate of Title in Landonline, I can see there is a supporting document which says the Historical paper copy cannot be located. A search was completed in 2004.

I am going to order this anyway to see if it has been since located. Unfortunately we will not know the outcome until tomorrow afternoon. One of our team will let you know if the search has been successful.
