Dear Liam

I refer to your Official Information Act request of 9 January 2015 in which you requested the following information about speeding infringement notices:

- 1. Please provide records of how many speeding tickets were issued in the "official holiday period" over Christmas/new years for the past five years, including this year's one.*

If your system allows, could you please break down the speeding tickets issued into categories of the speed recorded. For example, the number of tickets 10km/h over, 20km/h over, 30km/h over and so on.

Police will be proactively releasing information about speed infringement notices issued during the Christmas/New Year period in late February 2015 as part of planned media activity for the completion of its summer road policing campaign. Therefore, your request is declined pursuant to section 18(d) of the Official Information Act 1982 as the information requested is, or will soon be, publicly available.

Information relating to historic speeding offences is available on the Police website at <http://www.police.govt.nz/about-us/publication/road-policing-driver-offence-data-january-2009-september-2014>. Therefore this part of your request is declined pursuant to section 18(d) of the Official Information Act 1982 as the information requested is, or will soon be, publicly available.

You have the right to complain to the Ombudsman to seek an investigation and review of my decision if you are not satisfied with the way I have responded to your request.

Yours sincerely

Inspector Peter McKennie
