Regarding your requests under the Official Information Act asking:

For each the year relating to students of 2021 and 2022: how many law school awards were given out in that year? If there were multiple recipients for the same award, provide both numbers: number of awards (type) and number of awards (actually awarded). Of the awards actually awarded, how many were given to students over the age of 25 years? Also provide the number of unique students who received awards.

Please find attached publicly available information relating to this request.
