This is just a friendly reminder that as per our email on Friday 11 March we are now reporting weekly case numbers to the Minister.

We would like to request that you send through this weeks update to the 9(2)(g)(ii) inbox by midday today. This will enable us to include your update in this weeks report.

- 1) The total number of new positive cases reported in the last 7 days on campus
- 2) The total number of new positive cases in the last 7 days in tertiary accommodation – as a subset of the number above.

From next week we ask that your weekly report is sent to us by Thursday at 2pm and will include any new cases that were reported since your last report submission.

Kia pai te rā
