Hi Spoc,
It's 4pm somewhere, probably...

UoA has 35 students and 20 staff who have tested positive in the last 7 days. Of the 35 positive students, 7 are isolating in our accommodation halls.

This is just a friendly reminder that your weekly case update is due to the xxxx@xxx.xxx.xx inbox by 4pm today. This will enable us to include your data in this week's report.

- 1) The total number of new positive cases reported in the last 7 days on campus
- 2) The total number of new positive cases in the last 7 days in tertiary accommodation – as a subset of the number above.

We would like to thank you for all your hard work during these uncertain times.
