Good morning and happy Friday. Hope this email finds you well.
Apologies for my silence the last weeks. Like with many – covid finally caught me too.

9(2)(a) I tried to ring you this morning a few times. I just wanted to give you all a heads-up that early next week TEC and MoE will meet with universities and check in on covid. I will arrange this meeting on Teams.

Below I have the details regarding your covid contact person/incident controller as advised earlier in the year. I will be setting up a meeting with the below group only – but just wanted to let you know as a courtesy.
