Dear Mr. Murphy,

I refer to your official information request dated 29 September 2023 for information regarding remaining two residential lots.

We sincerely apologise for the time it has taken to respond to your email dated 1 November 2023 noting your nonacceptance of our initial reply.

Here our revised response:

1./ Please advise what the remaining 2 residential lots are being used for

No decision had been made on what the possible remaining 2 residential lots were going to be used for. As the number of lots were subject to further change as part of the resource consent process. Any decisions would be considered on the outcome of an approved resource consent.

2./ Who will own the remaining 2 titles, or who will they be transferred to

Should 2 remaining residential lots have ever eventuated they would remain the property of RDC.

3./ Please provide any documentation relating to the remaining 2 residential lots, such as agreements, contract for them, discussions around who will get them or who they would/could be allocated to. For the avoidance of doubt, this is any emails, txts, discussions, social media messages, phone calls, etc.

I am refusing this request under section 17(e) That the document alleged to contain the information requested does not exist. There is no documentation for us to supply.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely
