Dear Natasha

**Request made under the Official Information Act 1982**

Thank you for your email of 29 September 2023 requesting the following information under the Official Information Act 1982 (the Act):

*On Thursday 28th November 2023 a bus driver ran a red light on Symonds street heading city bound.*

*I have read that you have red light cameras installed at this intersection and I'd like access to this footage and any potential CCTV available related to this.*

We emailed you on 29 September and 2 October 2023 asking if you could please provide further details about the location of the incident. Unfortunately, as we have not received a response from you, we have been unable to identify the CCTV footage being requested and therefore do not consider your request to have been made with due particularity. Your request has therefore been cancelled.

Further, where footage is captured, it is only held within our systems for anywhere from 24 hours to several days (depending on camera location). As it is more than three days since you made the request, any footage from those dates would now likely be overwritten.

If you would like to discuss this reply with Waka Kotahi, please contact us by email to [official.correspondence@nzta.govt.nz](mailto:official.correspondence@nzta.govt.nz).

Yours sincerely
