Dear Andrew

In response to your official request of 29 September 2023 for information about the Southern Super-City between the Christchurch City Council and neighbouring districts. We can confirm that the Waimakariri District Council has had no correspondence, e-mails, letters, meetings, or discussions about a proposed Southern Super-City.

A Southern Super-City is not a proposal that the Council has contemplated. As such, the Council did not request any involvement or feedback from the residents and ratepayers of Waimakariri.

Thus, the Council cannot provide the requested documents under section 17(e) of the Local Government Official Information and Meetings Act, 1987 as the document alleged to contain the information requested does not exist.

I trust this answers your current query.

Yours sincerely

Sarah Nichols  
Governance Manager
