I hear your comments regarding a supercity, if you would like to formally lodge this point you can do so at the very last page of the current Greater Christchurch - Huihui Mai (let's come together) public consultation at this [link](#).

Thank you again for writing to me.

Hi Sam

[REDACTED]

Finally, I'd like to voice my strong opposition to the suggestion that we become a part of a Christchurch super city. We are quite happy with the status quo i.e. being part of Selwyn.

Kind regards
